

## Importance of fire training and Safeguarding policy.

1. There is no bullying allowed on campus and every student should adhere to this rule.
2. In case of a fire emergency put on the fire alarm to alert others and move to a safe space
3. Always gather at the fire assembly and wait for further instructions from your mentors.
4. In case of sexual harassment, a student should report immediately because that's a violation of their rights.
5. Always be mindful of electronic devices and remember to turn them off when not in use to avoid incidences of fire.
